O R D E R

On July 9, 2004, the Northern Kentucky Water District ("NKWD"), pursuant to the Commission's Orders in Case No. 2001-00202,¹ submitted a filing to amend its cross-connection control policy. NKWD proposed that the revisions become effective on July 9, 2004. Pursuant to KRS 278.180, tariff revisions may become effective only upon 30 days' notice to the Commission. Consequently, the earliest the tariff proposal can lawfully become effective is August 8, 2004.

The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed plan, and that such proceedings cannot be completed prior to the proposed effective date.

IT IS THEREFORE ORDERED that:

1. The proposed tariff is hereby suspended for 5 months from August 8, 2004 up to and including January 7, 2005.
2. Nothing contained herein shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.
